"THE COIN MACHINE MERRY-GO-ROUND"

by BILL GERSH

GAS

Gather your route closer together if you are an East Coast op. With fuel oil sorely needed this Fall, gasoline ration allotment may be cut down. "A" cards may get only 1 gal. per week instead of 4. Gas tank cars will be needed to transport fuel oil to East coast cities.

TIRES

There will be plenty of recapping available within 3 to 6 months. Satisfactory synthetic substitutes have been developed and are now being rushed to market. But, be careful you do not run your tires down to the bare tread for then recapping won't help.

MARKET

As the colder weather nears it's again becoming a seller's market. Many leading firms wish they had machines they sold at give-away prices back again. Proving once again that getting panicky, as merchandise becomes more scarce and harder to obtain daily, isn't logical thinking.

REVAMPS

Revamps becoming more and more important each day. The only really new type of machines in the future will have to be revamp jobs. More ingenuity needed in this field. Those who feel they are fitted for this work should make complete study of field at this time.

FREIGHT

There is no doubt anymore that all freight shipping will be cut down. This is bound to happen this Fall and Winter. Anticipate your needs now. Buy as far in advance as you can. Don't depend on last minute shipments to reach you on time.

LAW

Washington, D.C. ops, jobbers and distribs had the tough luck of seeing their city close down just when they are enjoying the biggest booming population in all the capitol's history. Those who are working are placing consoles - outside city limits. Phonos, cig and drink machines going great. Leaders here expect case to come up within few weeks which may prove deciding factor.

NICKELS

Shortage of 5¢ coins has become a problem for the U. S. Mint which is trying desperately hard to find a substitute. But as Newsweek magazine reports, "Unless this substitute weighs the same it won't work in pay telephones, coin machines or subway turnstiles".

BANKS

The 5,107 National Banks in the country reported deposits totaling over 40 BILLIONS 659 MILLIONS OF DOLLARS. Gross assets were reported as over 45 BILLIONS. There's more money around than ever before and public is beginning to gradually loosen up as these figures are made available to them.

BULLETS

In our August 25 issue we reported that .22 calibre shorts available for rifle ranges in Penny Arcades were getting as high as \$300.00 per case of 10,000 (An atrocious figure). Since then we have found a source that will sell for \$120.00 per case which leaves a profit of \$130.00 for the Arcade man offering these at 10 for 25¢.

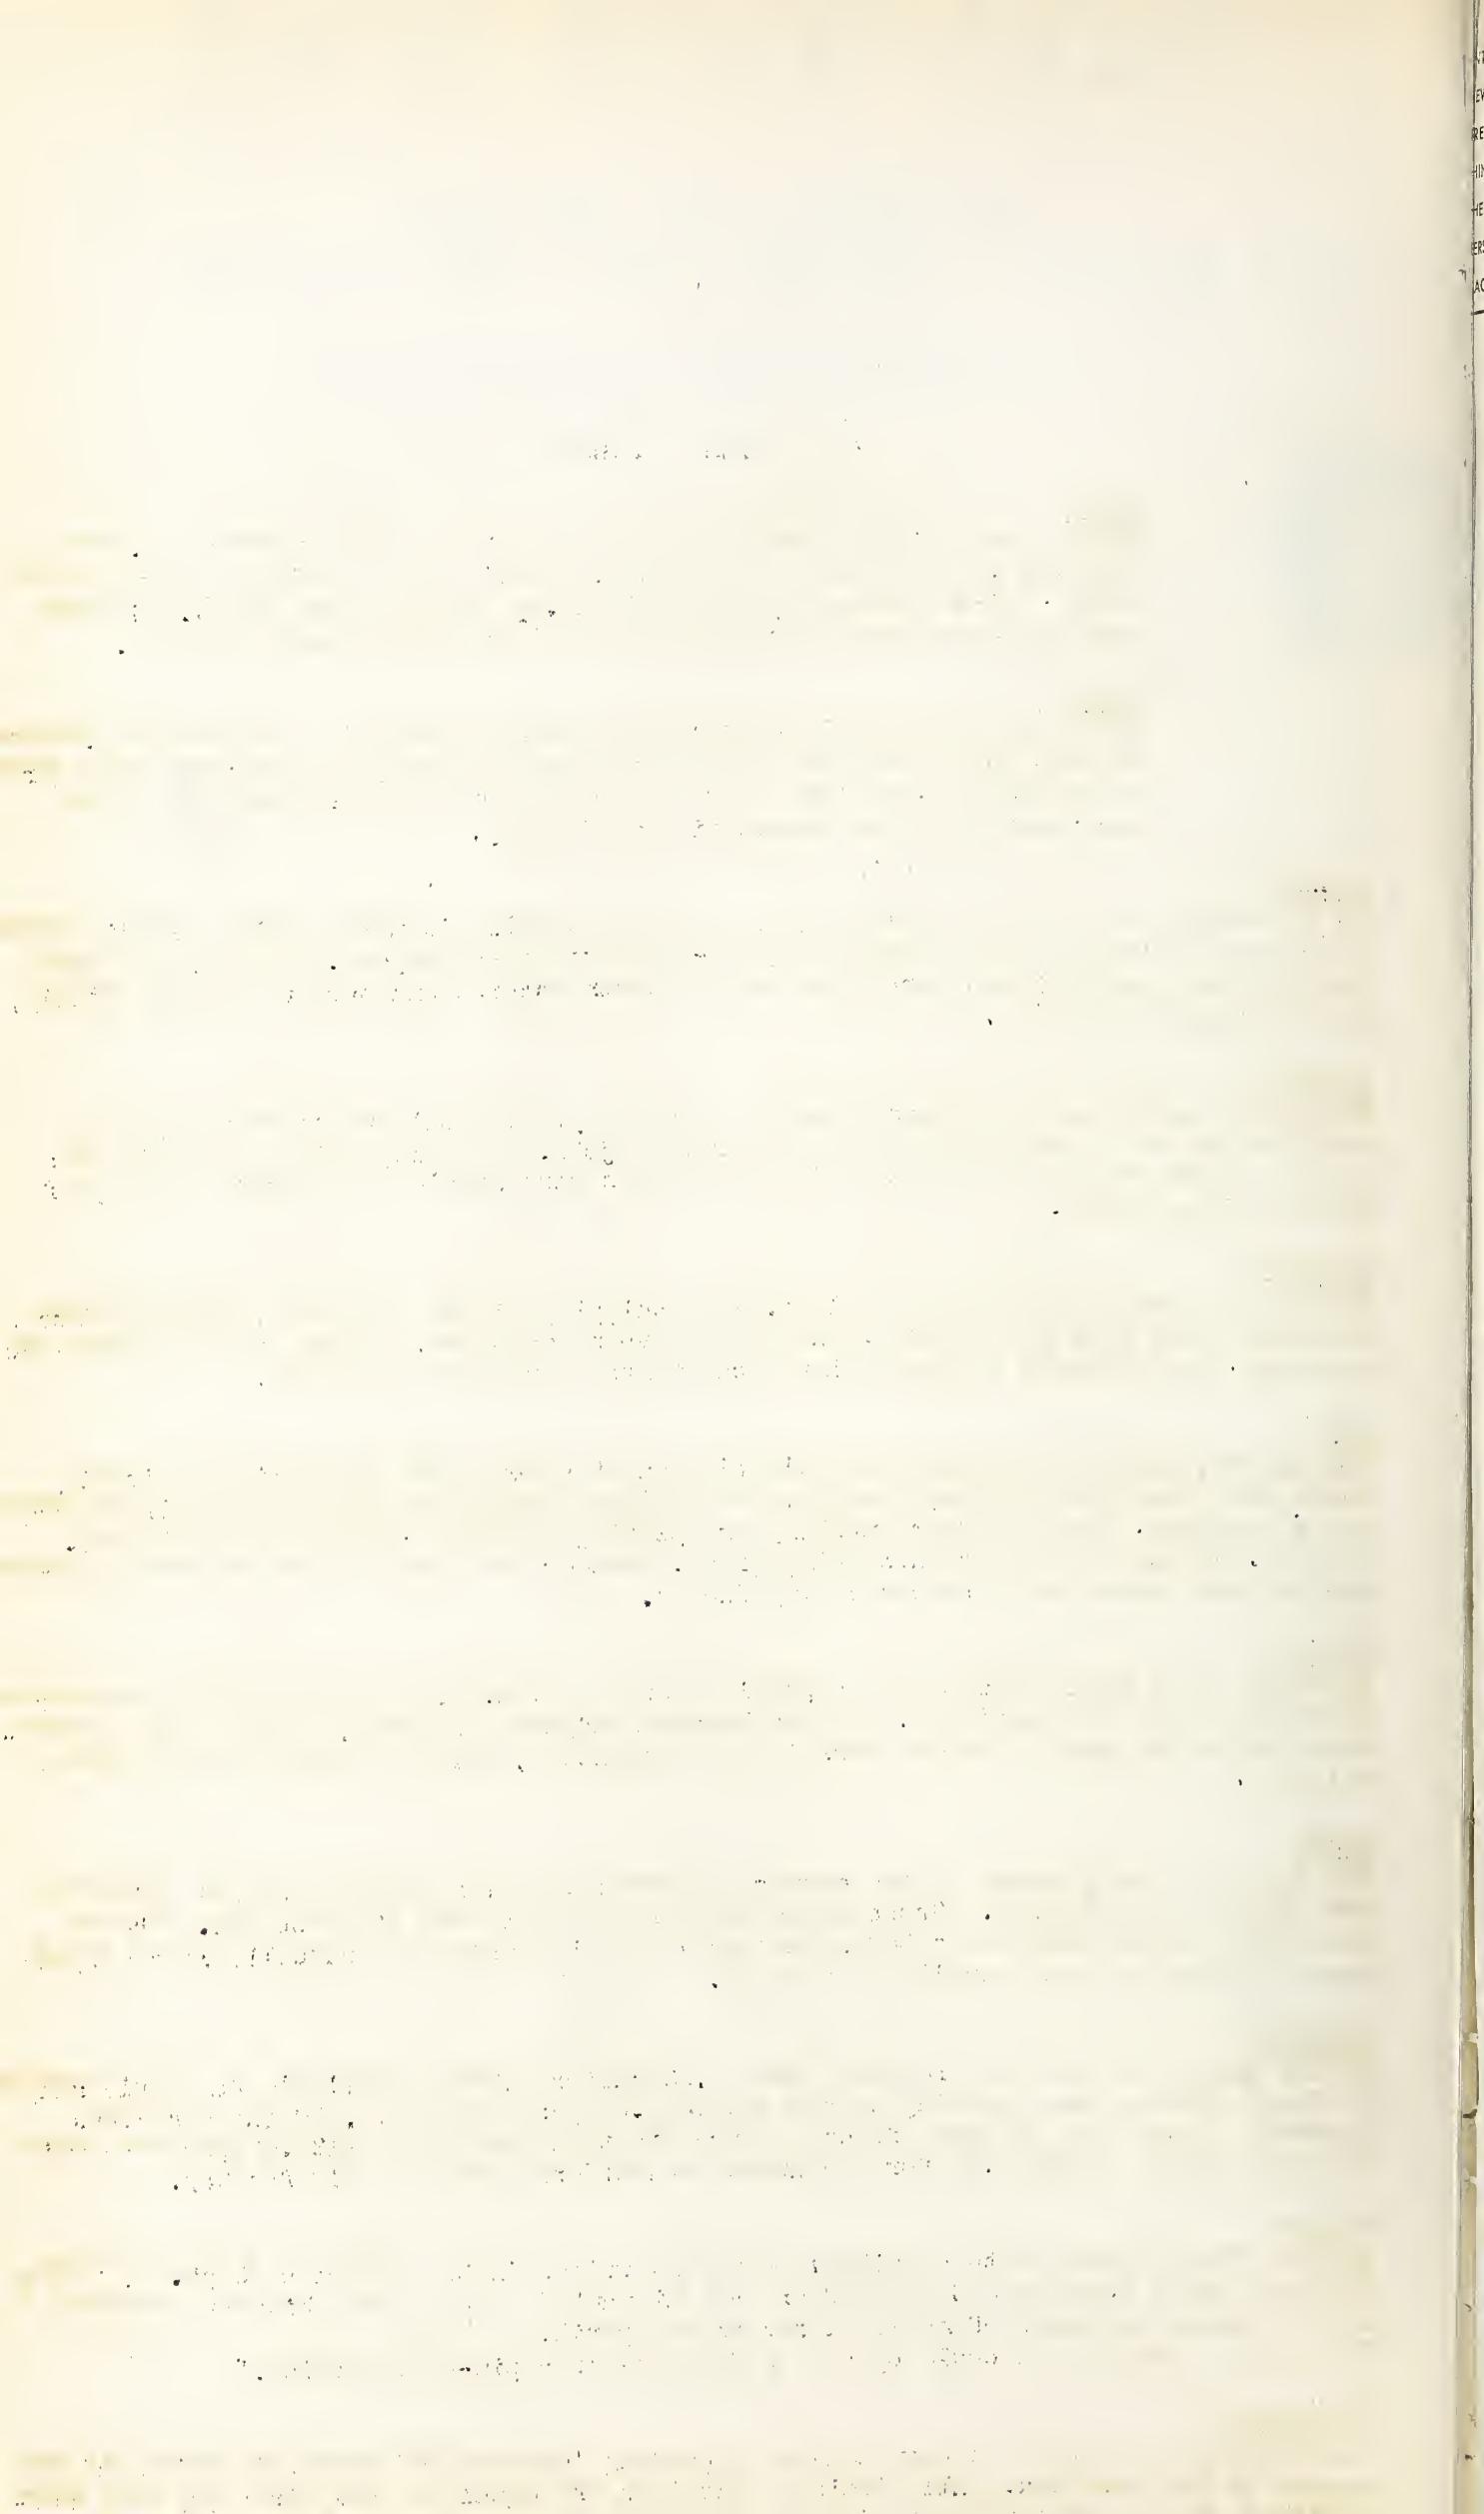

"BUGS"

Arthur "Bugs" Baer (with a suitable cartoon) writes in his column of Sept. 1, "Well, I'm back at my Selective Service Board and it wanted to know what kind of a machine I could operate in times of national stress and peril.

"I told the chairman I could operate a juke box or a pin-ball machine."

DEMOCRATIC

Many compliments received from leaders regarding "democratic" manner in which all ads appear in The Cash Box. All firm's ad listings are equal for all firms pay same subscription rate. No one man to drown out any other.

"THE COIN MACHINE MERRY-GO-ROUND"

ARCADES

Tho a great many Penny Arcades will close after Labor Day a new crop is already under way and this loss will not be noticed in another 30 to 60 days. Many of these Summer spots are already set to move their equipment to year 'round locations not being too sure of a '43 resort season.

PUBLICITY

No one firm will be favored by "puff" publicity in The Cash Box. This is in answer to those who have raised this question. This is one policy that will be maintained thru-out the life of The Cash Box. Firms or personages mentioned will be only on basis of value of such mention to rest of subscribers.

CUT

Cut down on volume of your music equipment. Don't let blue nose reformers get a chance to yell "noisy nuisance" at you. This may cost you a few nickels in the beginning but will more than pay off in the long run.

OKAY

Business in Richmond, Va. continues brisk. Buying and selling well balanced. Large stock of fine used equipment and much new equipment on hand. Price range is average. Belief among leaders here is that machines will become harder to obtain and they are holding on. In general situation here is pronounced "okay". (By the way, Richmond's leaders are now 100% subscribers to The Cash Box).

BOOM

Baltimore, Md. is enjoying a boom with more people in this town than ever in its history. Ship yards and Martin Bomber plant and other factories here bringing them in droves. The claim is that these new people are not spending. But, with the way that coingames are running and phonos are playing and with surety that this will increase there is no doubt that boom will be felt all down the line. (Baltimore is now 99.99% subscribers to The Cash Box).

DOLLS

One of the greatest lines of toy dolls, bears, etc. now being offered by one noted wholesaler in New York at amazingly reasonable prices. Can be used to good advantage on many punch boards.

SPEAKERS

The 12" P.M. speaker becomes more scarce each day. Stock on hand at one firm in New York being offered at \$7.00 each. These are all brand new.

BONDS

One large op is paying off many locations in War Bonds and Stamps. Tho these cannot be offered as prizes anymore (as per request of U.S.Treasury Dept.) his large purchases have won him much commendation and his method of giving them to location owners has gained hearty approval.

PREDICTION

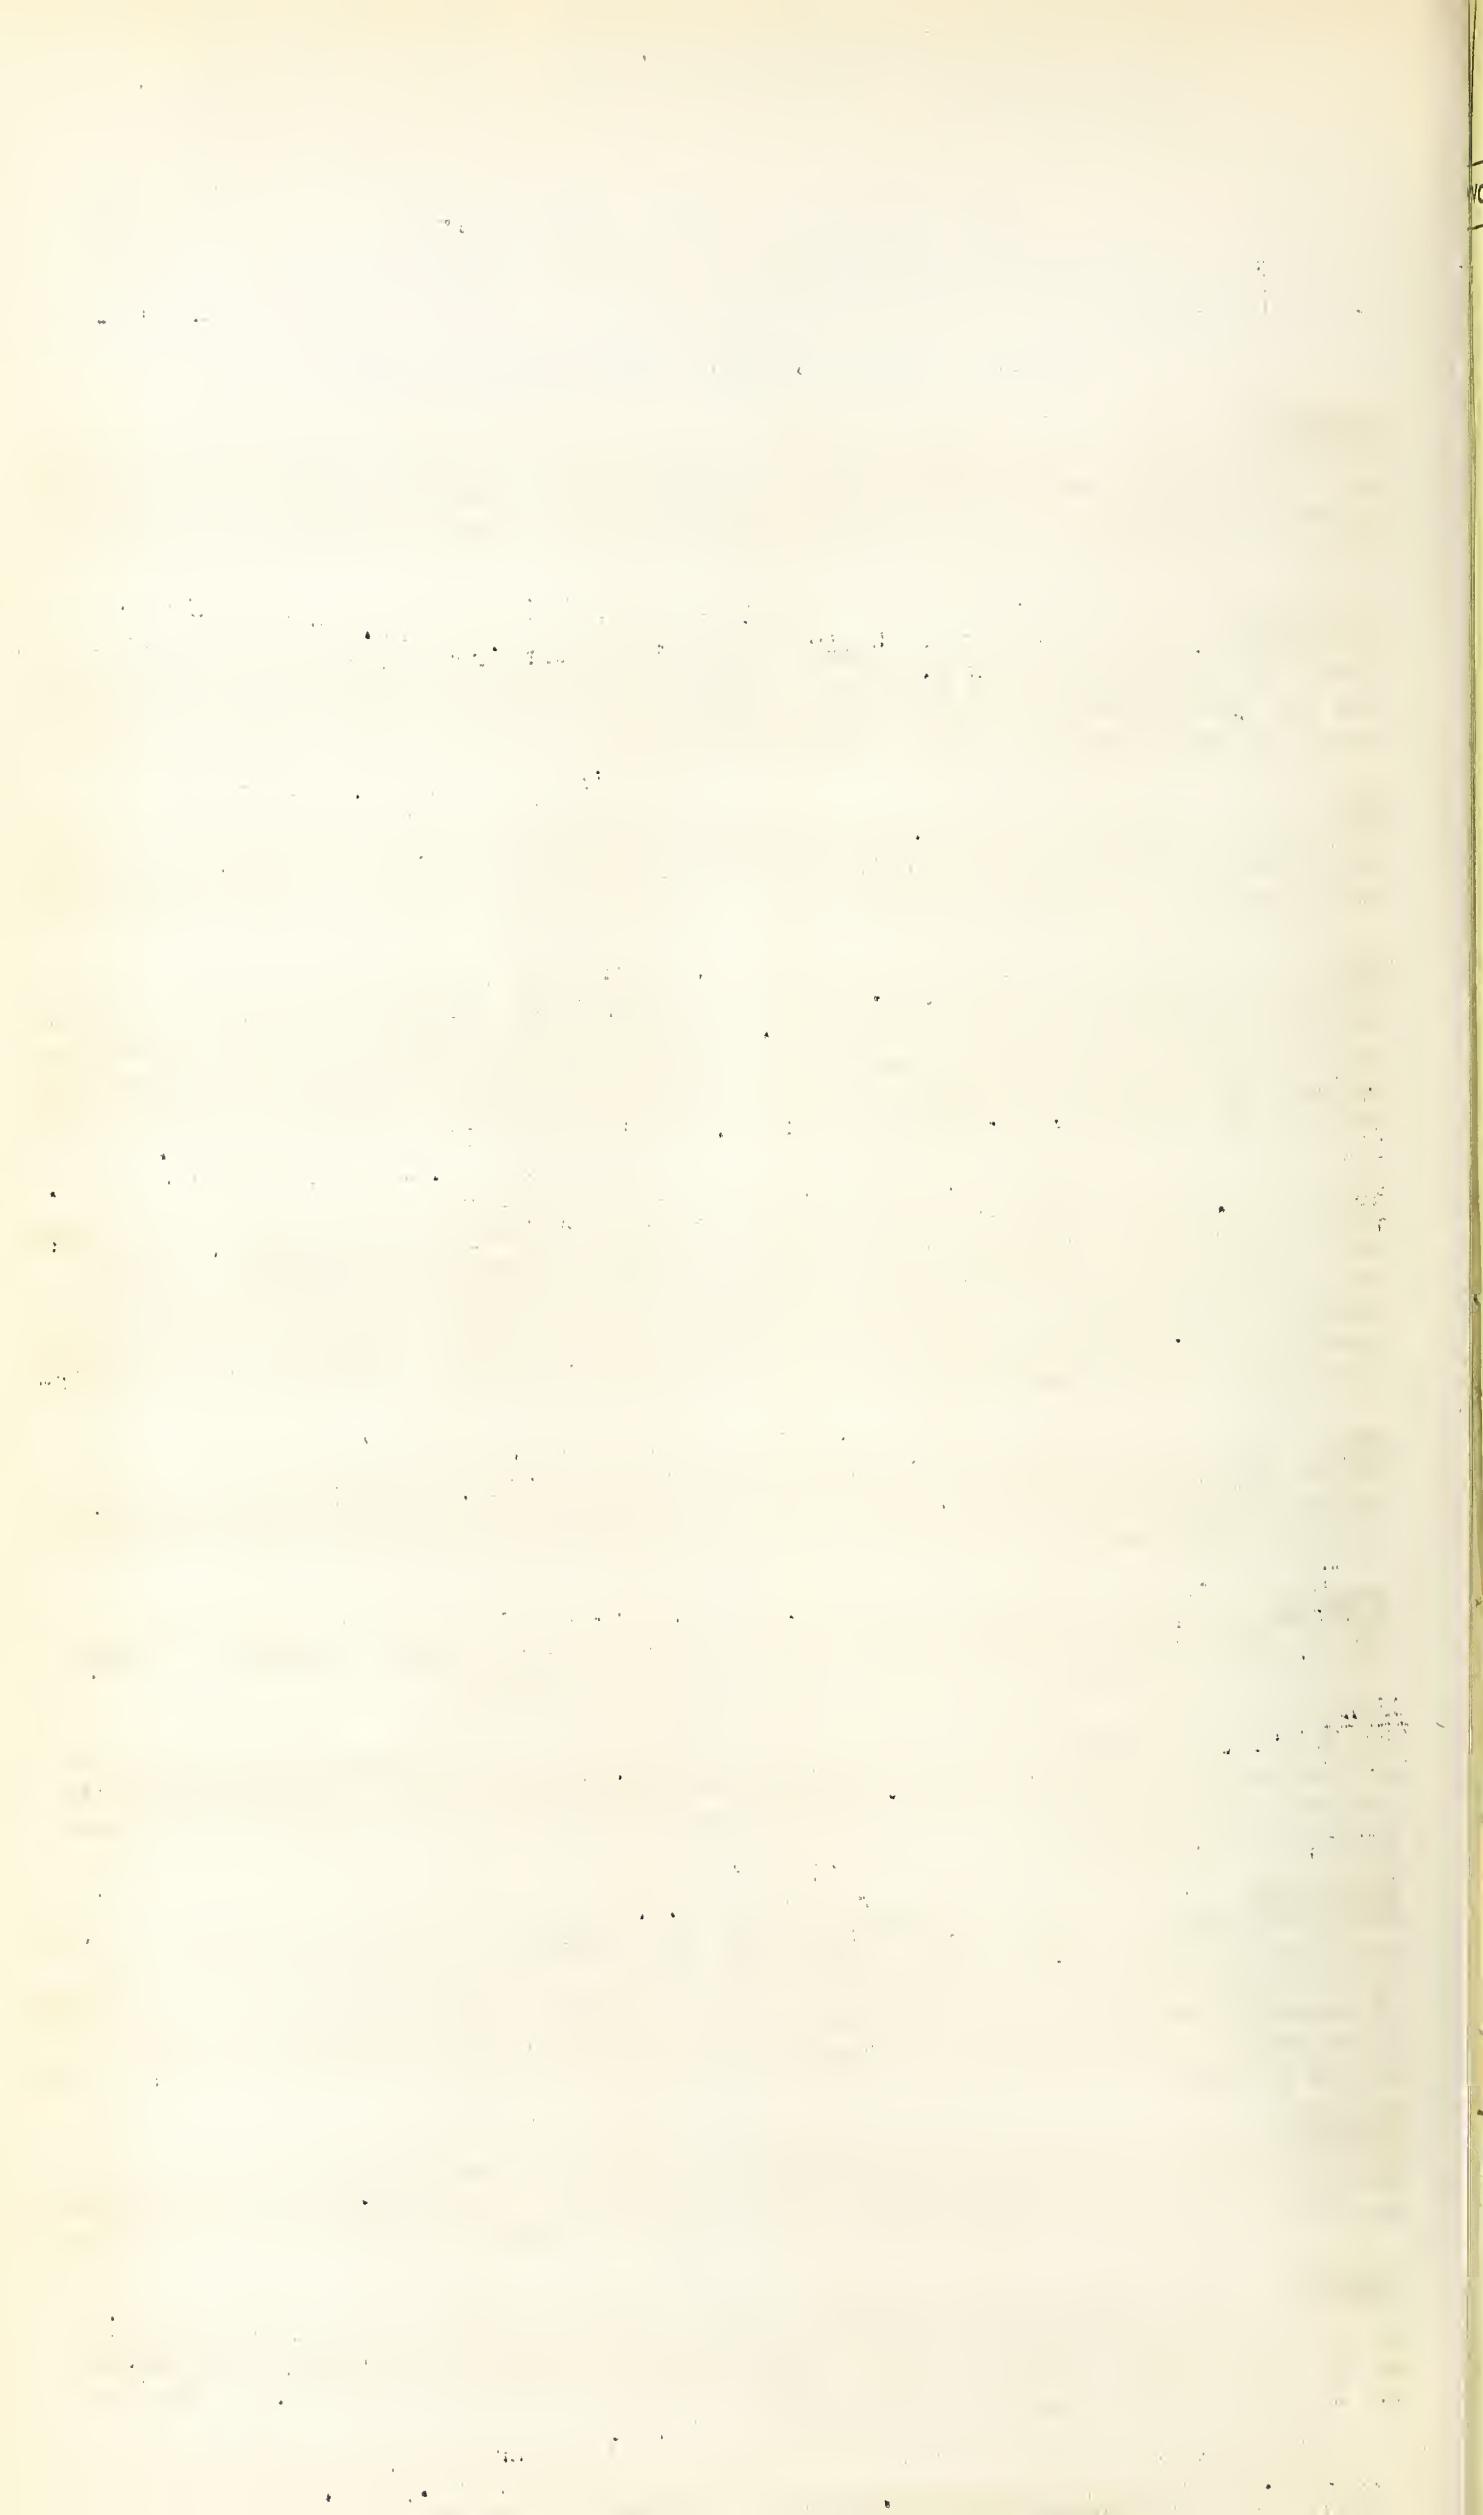

Slots are going to appear in more and still more locations thruout the country as the war goes on. This will be due to fact that many retailers will demand these to help them meet regular income loss which is bound to accrue from restrictions and rationing of consumer merchandise. Nor will such merchants encounter too much protest from authorities. But, slots will not appear too "open" nor in big runs. Most of these will be run on q.t.

HOLDING

Gradually making itself felt is the "holding" policy of many leaders in this trade. These men realize that good equipment is becoming more scarce each day and are holding back from selling unless price they believe their equipment is worth can be obtained.

ARCADE

Well paying arcade with good concession located in large Army Camp community being offered for sale at \$27,500. This includes land, building, etc., etc. Down wanted is \$10,000. Income extremely good. This gives you some idea of what Penny Arcades are now valued at. This is a good buy.
